We were going to Versailles for lunch, but the nurse has fallen [redacted] ill, [redacted] so we [redacted] stayed in town. Woodie and Monica, Cousie Hottinguer and the Wallner children came to lunch to-day with our children.

My cold is so bad that I did not go out to-day. I spent the afternoon and evening revising my essays which I at last completed late to-night. I do not know what I will do with them next, but I shall certainly not revise them again.
